

ELVIA SARABIA

**DESIGNER**

A CLOCK TELLS TIME AND TIME TELLS ALL.

ONLY TIME CAN TELL WHAT WILL COME  
AND WHAT WILL GO.

IT PASSES BY LIKE THE OCEAN BREEZE.

SOMETIMES SLOW AND SOMETIMES FAST.

Fashion is an **Identity**. Not something someone else can  
**DICTATE**. We create who we are and not somebody else. Our design is an  
**INDIVIDUAL** it is a **future** of where we can be **comfortable** **WITH**  
**OUR BODIES** No longer are we **RULED**  
by another. We are who we chose to be. Our designs express just that. It is **unique**  
It is **DIFFERENT**. It is our **Identity**
